

DRIVE-THRU COVID-19 TESTING

Extended Covid-19 Drive-Thru Services

As part of our extended services during the Covid-19 Pandemic, Centennial Medical Group / Firstcall Urgent Care has opened up outside drive thru testing, in partnership with Merriweather Post Pavilion.

Hours / Location

Hours of Operation:

Mon-Fri : 9a-4p

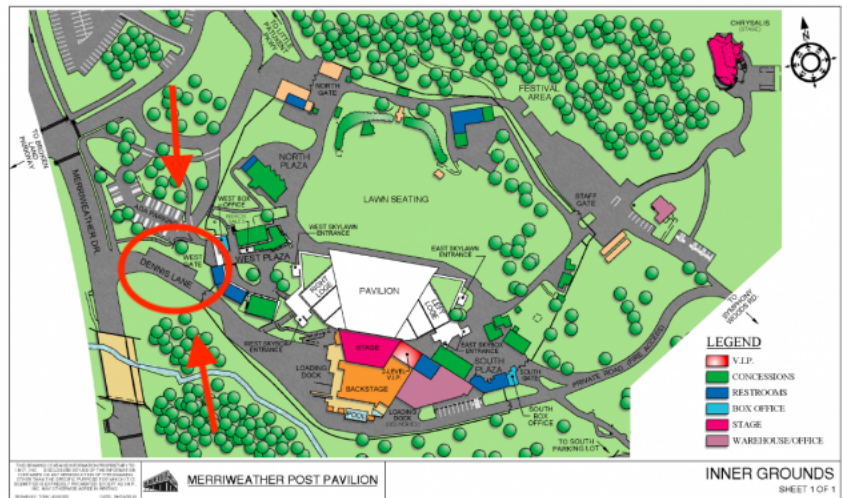

Location:

Merriweather Post Pavilion - West Gate.
Off of Dennis Lane from Merriweather Drive.

In Car Service

Patients remain in the safety of their own vehicles the entire testing process.

Note: Maximum of 200 patients per day. Rapid testing available, results due to volume in 24 hours. More detailed confirmatory labs return in 2-7 days depending on 3rd party timing (i.e. Lab Corp, Quest etc)

Centennial Medical Group / FirstCall Urgent Care

For almost 40 years, Centennial Medical Group has been providing some of the best Primary Care in the Howard County region. In recent years expanding, offering Urgent Care in Maple Lawn & Gambrills along with extended walk-in care in Elkridge, as well.

Centennial Medical Group / FirstCall Urgent Care

Tests are at no cost to the patient, insurance will be billed, in some cases the State of Maryland will be the recipient.

"We are ecstatic to expand to better serve the community, thanks in large part to our partners at Merriweather," said Connor Ferguson, Centennial Medical and Firstcall Managing Partner. "The willingness to open up their space to the community is testimony to the pillars they are in the region," Ferguson continued about the partnership with the iconic venue.
